CREPC Transmission Collaborative Agenda

Friday, November 13, 2026

10:30 a.m. - 12:30 p.m. Pacific / 11:30 a.m. – 1:30 p.m. Mountain

Zoom Meeting Link: https://us06web.zoom.us/j/87900306793
Meeting ID: 879 0030 6793
One-tap mobile (USA): +17209289299,,87900306793# US (Denver)
Phone (USA): +1 720 928 9299 US (Denver)
Phone (Canada): +1 778 907 2071 Canada

Objectives:

- Hear updates from WestTEC study authors regarding the portfolio of transmission upgrades needed by 2045, as identified in the 20-year Horizon Study.
- Understand drivers and assumptions that inform the portfolio of upgrades, including total cost and benefits.
- Discuss state and provincial reactions to the 20-year Horizon Study.
- Hear updates regarding ongoing work to support enhanced state engagement in NorthernGrid and WestConnect.

Meeting materials:

- Slides
- Agenda
- Energy Strategies slides
- Breakout room handout

Agenda (PT/MT)

10:30 a.m. / 11:30 a.m. **Welcome, introductions, agenda review**

10:40 a.m. / 11:40 a.m. **Presentation of draft WestTEC 20-year report findings,** Energy Strategies

11:30 a.m. / 12:30 p.m. **Q&A, discussion, breakout rooms**

- What about the 20-year report surprises you, confirms what you already suspected, or challenges your current assumptions about Western regional grid needs?
- What is your initial reaction regarding what this means for your state/province?
- How might your states/provinces (individually and as a group) view the shared benefits or impacts of these corridors? Are there international considerations to explore?
- How do you intend to use this information? How could WestTEC support that use?

12:10 p.m. / 1:10 p.m. **Updates on enhancing state engagement in FERC-required regional transmission planning**

12:25 p.m. / 1:25 p.m. **Closing and action items**
