Harmonizing Large Load Interconnection Requirements in the West

Industry Advisory Group – Meeting #7

November 12, 2026 | 11:00 AM – 12:00 PM MT

Agenda

Meeting Objectives

- Gather final feedback and identify any remaining concerns before finalizing the Template.
- Review the December webinar format and presentation outline.
- Identify IAG participants to share their perspectives during the webinar.
- Confirm next steps for finalizing and releasing the template.

---

1. Welcome, Introductions, and Project Update *(5 minutes)*
Facilitator: WIRAB Staff

- Review meeting objectives and progress toward completing the template.
- Provide an update on WIRAB's review of the development process and release plan.

2. Final Facility Interconnection Requirements Template Review *(20 minutes)*
Presenter: Elevate Energy

- Review final stakeholder feedback and proposed revisions.
- Assess general support for finalizing the template.

3. December Webinar Planning *(20 minutes)*
Facilitators: WIRAB Staff and Elevate Energy

- Discuss the webinar format, presentation outline, and key messages.
- Invite IAG participants to share perspectives on the effort, the template's value, potential use within their organizations, and identify potential speakers and topics.

4. Discussion and Q&A *(10 minutes)*

- Gather additional input on the template and webinar plans.
- Discuss how participants anticipate using the template.

5. Next Steps and Closing *(5 minutes)*

- December 3: Host the public webinar and release the final template.
- Thank IAG members for their contributions.
