Information regarding the Corporation and its operations, other than information that the Board of Directors has determined must be kept confidential in order to protect the interests of the Corporation or information received by the Corporation that is subject to a confidentiality obligation, shall be publicly available, provided that the Corporation may require any recipient of such information to pay the reasonable costs of providing such information.

10.2.1 The Board of Directors shall publish, and revise as appropriate, as part of the Open Meetings and Records Policies, policies establishing the types of records that are presumed confidential, the process in which the public can access non-confidential information, the time in which the Corporation must respond to a records request, and other matters to facilitate access consistent with the duties of the Corporation.

10.2.2 Subject to reasonable confidentiality provisions and consistent with an information sharing policy adopted by the Board of Directors as well as applicable FERC requirements and information sharing policies adopted by the board, the Board of Directors shall make confidential market data available to state energy regulatory commissions, state energy offices or their equivalents, and any public advocacy organizations designated by state statute adopted in any Participating State to advocate on behalf of the public related to electricity market issues.

Section 10.3 Records Retention. The Board of Directors shall oversee the implementation of a records retention program complying with FERC requirements and any other applicable laws.

ARTICLE XI INDEMNIFICATION

Section 11.1 Indemnification of Officers and Directors. To the fullest extent permitted by applicable law as it presently exists or may hereafter be amended (provided, that in the case of such an amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than permitted prior thereto), the Corporation shall indemnify and hold harmless each person who was or is made or is threatened to be made a party or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (a “proceeding”) by reason of the fact that such person is or was a director or officer of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, enterprise or nonprofit entity (including service with respect to an employee benefit plan), against all liability, loss and reasonable expense incurred by such person, including attorneys’ fees, judgments, fines, penalties, Employee Retirement Income Security Act (ERISA) excise taxes and amounts paid in settlement of proceedings. Except as set forth in Section 11.2 below, the Corporation shall be required to indemnify a person in connection with a proceeding (or part thereof) initiated by such person only if the proceeding (or part thereof) was authorized by the Board of Directors. The right to indemnification under this Article shall be construed as a contractual right of the indemnitees and shall inure to the benefit of an indemnitee’s heirs, executors, and administrators.

Section 11.2 Prepayment of Expenses; Undertaking to Repay. The Corporation shall pay the expenses (including attorneys’ fees) expected to be incurred in defending any proceeding in advance of its final disposition; provided, however that if the General Corporation Law of Delaware then so requires, the payment of expenses incurred in advance of the final disposition of the proceeding by a director or officer in such person’s capacity as such (and not in any other capacity in which service is or was rendered by such person such as service with respect to an employee benefit plan) shall be made only upon receipt of an undertaking by the director or officer to repay all amounts advanced if it is determined by a final judicial determination from which there is no further possibility of appeal that the director or officer is not entitled to be indemnified under this Article or otherwise; and provided, further that the Corporation shall not be required to prepay

any expenses to a person against whom the Corporation directly brings a claim alleging that such person has (i) breached such person's duty of loyalty to the Corporation, or committed an act or omission not in good faith or that involves intentional misconduct or a knowing violation of law, or (ii) derived an improper personal benefit from a transaction.

Section 11.3 Claims by Indemnitee; Presumption of Validity. If a claim for indemnification or payment of expenses under this Article not paid in full within 60 days after a written claim therefor has been presented to the Corporation (except in the case of a claim for prepayment of expenses in accordance with **Section 11.2** above, in which case the applicable period shall be 20 days) the indemnitee may file suit to recover the unpaid amount of such claim. If successful in whole or in part in any such suit, the indemnitee shall be entitled to be paid the expense of prosecuting such claim. In any such action, the Corporation shall have the burden of proving that the claimant was not entitled to the requested indemnification or payment of expenses under applicable law. The indemnitee shall be presumed to be entitled to indemnification under this Article upon submission of a written claim (and, in an action brought to enforce a claim for prepayment of expenses, where the required undertaking, if any is required, has been tendered to the Corporation), and thereafter the Corporation shall have the burden of proof to overcome the presumption that the indemnitee is so entitled. Neither the failure of the Corporation (including its Board of Directors or independent legal counsel) to have made a determination prior to the commencement of such suit that indemnification of the indemnitee is proper in the circumstances, nor an actual determination by the Corporation (including its Board of Directors or independent legal counsel) that the indemnitee is not entitled to indemnification shall be a defense to the suit or create a presumption that the indemnitee is not so entitled.

Section 11.4 Non-Exclusivity of Rights. The rights conferred on any person by this Article shall not be exclusive of any other rights that such person may have or may hereafter acquire under any statute, provision of the Certificate of Incorporation or these Bylaws, contractual agreement, or disinterested directors or otherwise. Additionally, nothing in this Article shall limit the ability of the Corporation, in its discretion, to indemnify or advance expenses to persons whom the Corporation is not obligated to indemnify or advance expenses pursuant to this Article.

Section 11.5 Set-off Against Other Indemnification. The Corporation's obligation, if any, to indemnify any person who was or is serving at its request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, enterprise or nonprofit entity shall be reduced by any amount that such person may collect as indemnification from such other corporation, partnership, joint venture, trust, enterprise or nonprofit entity.

Section 11.6 Effect of Amendment or Repeal. No repeal or modification of this Article shall adversely affect any right or protection afforded hereunder to any person in respect of an act or omission occurring prior to the time of such repeal or modification.

Section 11.7 Indemnification of Employees and Agents. The Corporation may, by action of the Board of Directors, extend the rights described in this Article to individual employees or agents, or groups of employees or agents of the Corporation with the same scope and effect as the provisions of this Article; provided, however, that an undertaking of the sort described in **Section 11.2** shall be required only if specifically requested by the Board of Directors.

Section 11.8 Insurance; Indemnification Agreements. The Corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise or nonprofit entity against any liability asserted against such person and incurred by such person in any such capacity, or arising out of the status of such person as such, whether or not the Corporation would have the power to indemnify such person against such liability under the provisions of the General Corporation Law of Delaware. The Corporation may enter into contracts with any person who is or was a director, officer, employee or agent, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise or nonprofit entity, in furtherance of the provisions of this Article. The Corporation may also create a trust fund or use other means (including, without limitation, a letter of credit) to ensure the payment of such amounts as may be necessary to effect indemnification as provided herein.

Section 11.9 Reliance Upon Books, Reports and Records. Each director, each member of any committee designated by the Board of Directors and each officer of the Corporation shall, in the performance of his or her duties, be fully protected in relying in good faith upon the books of account or other records of the Corporation and upon such information, opinions, reports or statements presented to the Corporation by any of its officers or employees, or committees of the Board of Directors so designated, or by any other person as to matters which such director or committee member reasonably believes are within such other person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Corporation.

Section 11.10 Certain Definitions. For purposes of this Article, references to the "Corporation" shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise or nonprofit entity, shall stand in the same position under this Article with respect to the resulting or surviving corporation as such person would have with respect to such constituent corporation if its separate existence had continued.
