

Western Energy Markets Body of State Regulators

Meeting Agenda

Friday, October 9, 2026
9:30-11:00 am MT
8:30-10:00 am PT

Open Session

1. Welcome and Announcements, BOSR Chair
2. Update to 2027-2029 Policy Catalog Roadmap, CAISO Staff
3. RAAG / EDAM Resource Adequacy Program

Executive Session

1. RAAG / EDAM Resource Adequacy Program
2. Adjourn

There are **No action items for this meeting.*

The first portion of the meeting will be conducted in open session and will address matters identified on the BOSR meeting agenda. The second portion of the meeting will be conducted in executive session and will be limited to BOSR members and invited staff. The executive session will address deliberative matters related to the development of the resource adequacy framework for EDAM, including potential draft comments being developed by state regulators through the RAAG. No formal action will be taken during the executive session.
