

CREPC Transmission Collaborative Agenda

Friday, July 10 2026

10:30 a.m. - 12:30 p.m. Pacific / 11:30 a.m. – 1:30 p.m. Mountain

Objectives:

- Hear updates from WestTEC on 20-year benefit assessment methodology/work plan and counterfactual analysis.
- Discuss WestTEC benefits assessment methodology, counterfactual analysis, and reactions to the scale/type of buildout suggested by preliminary results.
- Provide state input to inform finalization of WestTEC's benefit assessment methodology/work plan (results of assessment expected later this year).
- Hear updates from WestTEC on 20-year report modeling effort, with a focus on draft likely corridors.

Meeting materials:

- Slides
- Agenda

Agenda (PT/MT)

10:30 a.m. / 11:30 a.m. Welcome, Introductions, Agenda Review

10:40 a.m. / 11:40 a.m. Energy Strategies presentation

- 20-year scope, timeline and preliminary results
- Benefits assessment plans and methodology
- Presentation of counterfactual analysis
- 15-minute Q&A and initial discussion

11:50 a.m. / 12:55 a.m. State Discussion

- What questions do you have about the benefits assessment methodology?
- What are your reactions to the busbar mapping methodology/results?
What will states want to see in any final results/report discussion?

GRIDWORKS

- What do regulators and energy offices need to know/understand about the counterfactual analysis in order to consider these projects “in the public interest” and worth supporting?
- What is your reaction to the scale and type of buildout suggested in these preliminary results?

12:25 a.m. / 1:25 a.m. **Closing and action items**
