Pathways Frameworks

Regional Organization Scope

November 17, 2023

For Discussion Purposes Only

Potential Regional Organization Scope(s)

- Adjustable elements:
 - Federal Power Act Section 205 rights:
 - Voting rights vs. Filing rights
 - Co-equal joint vs. Primary joint vs. Sole rights
 - Dispute resolution for dual filings
 - Single *vs.* Separate tariffs
 - Corporate and physical separation of regional organization from CAISO
- Related considerations:
 - Threshold legal and legislative analysis (including revisiting c. 2015 and 2021 analyses)
 - Operational structure and the financial cost of autonomy
 - Line of sight to potential a la carte RTO services

Communications and Outreach Work Group

Proposed scope of work in three focus areas

- Develop tools to support the launch committee's ability to provide clear, consistent and transparent communications across stakeholders.
 - Example tasks: Ensure common terminology. Maintain and grow stakeholder lists.
- Enhance communication capability and lead launch committee approved outreach with media, stakeholders, and other venues.
 - Example tasks: Develop Frequently Asked Questions about the goals, process and timelines. Provide spokespeople as appropriate.
- Liaison between stakeholders and the work groups to collect and share feedback to support overall communications.
 - Example tasks: Collect public comments and feed information into the relevant workgroups. Assist the launch committee in responding as necessary.
